PROFILE

Aspiring Web Designer with 6 months of hands-on training and a solid foundation in creating dynamic, user-friendly websites. Proficient in industry-standard tools and technologies including Adobe Photoshop, Figma, HTML, CSS, JavaScript, Bootstrap, and WordPress. Enthusiastic about translating design concepts into functional and visually appealing digital experiences. Demonstrated ability to work effectively both independently and in a team environment, with a keen eye for detail and a passion for continuous learning. Eager to leverage my skills and training to contribute to innovative web design projects and enhance user experiences.
